

A close-up photograph of a firefighter's torso and arm. The firefighter is wearing a dark blue short-sleeved shirt with a red horizontal stripe across the chest. The word "SAPEURS-POMPIERS" is printed in white on the red stripe. On the left chest, there is a small black rectangular patch with three white horizontal stripes. The firefighter is wearing a white digital wristband on their left wrist. They are holding a yellow and black AED (Automated External Defibrillator) unit with both hands. The AED has "AED" printed in large black letters on its front panel, and a smaller "SAUVEZ" logo with a heart symbol. A yellow strap with a barcode and text is attached to the top of the unit. The background is a plain, light-colored wall.
